Accessing the eCampus web site

You can access eCampus directly by typing in the URL: https://ecampus.wvu.edu
Or you can navigate from the Potomac State College page:
• http://www.potomacstatecollege.edu
• Under POPULAR LINKS, click on Online Courses - eCampus
• Click on the eCampus link at the top of the page

Once you have successfully reached the eCampus web site, we recommend that you create an eCampus shortcut on your desktop or save it to your Favorites.

Logging in to eCampus

• On the eCampus web site, click on the gold tab for The New eCampus
• Click on New eCampus Login button
• Enter your MIX ID (aka username) and password, and click Login
• Your Course List for the current semester will appear
  Note that courses do not appear to students until the official start date
• Click on any course to start working
• Textbook purchasing and other information is available from the College Bookstore on Campus, or online at: http://www.wvupotomac.bncollege.com

Browser Checker

The first time you access eCampus on any computer, check to be sure it has the correct settings in order to run eCampus properly. On the bottom of the eCampus Login screen, click on the Browser Checker link.

View the Checker results and take the recommended action where necessary. Re-run the Browser Checker until all results are acceptable.

Note that cookies must be enabled, and the pop-up blocker must allow pop-ups from the eCampus site
